Still Leasing During Lockdown
We understand there is still an essential need to secure a new home despite lockdown. We have a simple process to help:

- 1 Inspect the property virtually via the Property Video link

- 3 One of our leasing agents will contact you to confirm your application
- 4 Pay your deposit to secure the property
- 5 Sign your lease/confirm acceptance of the property and move in

*Not every application will be successful and we are not liable at any point before signing a lease due to inability to physically inspect.
